The student section faculty advisor or an officer will be responsible for submitting a list of new student section members that have joined SEG from the beginning of the campaign (1 October 2006). When the section has reached 20 new members, this list of names should be emailed to [students@seg.org](mailto:students@seg.org). Sections that recruit less than 20 lists quarterly (by 1 January, 1 April, 1 July, 1 October.) Once verified, SEG will award the section \$5 for every student in their section (up to 20 students). The Vouchers will be given in the name of the section and can only be redeemed for publications in the SEG Book Mart. **Note:** The preferred method of receipt of section lists is via email or fax. Mail is also acceptable, but might increase the amount of time needed to receive the section prize.

**Please remember to have the "Invited by SEG Member" filled in to receive credit on applications.**
