

ASEG/PESA 19th International Geophysical Conference and Exhibition

Location: Perth Convention and Exhibition Centre, Perth, Australia

Date: 18–22 November 2007

Abstract submission deadline: 31 May 2007

Program: DISC and workshops are planned on Sunday 18 November, followed by up to five streams of technical sessions and thematic sessions on Thursday 22 November. FESWA will host a full-day stream on Tuesday. A welcome icebreaker and dinner during the conference will be complemented by the annual ASEG/PESA golf tournament at the conclusion to the conference.

Call for Papers: Abstract submissions are invited for papers and posters. Each submission should be associated with a technical area under the broad Minerals, Petroleum and Environmental categories. A template can be downloaded from www.promaco.com.au/2007/aseg. Accepted authors will be required to submit a short paper (max 4 pages) for publication on the conference CD. Papers will be reviewed for technical content and undergo editorial review. The program will allow for informal discussion around the posters.
