I hereby authorize the Society of Exploration Geophysicists (SEG) and its agents to publish the abstract of my doctoral thesis in GEOPHYSICS. I certify that I am fully authorized to transfer a nonexclusive, worldwide, perpetual license to SEG and its agents to publish the thesis abstract in any form and that such publication does not infringe on copyright or any other rights of any party. I further understand that SEG and its agents may edit the thesis abstract but will not publish the edited version without my approval.
