Foundation News

Projects of Special Merit, Field Camps and the 2012 Scholarship recipients will be announced in early May.

Greetings Students,

Spring is almost here, and we have several upcoming events and program deadlines you don't want to miss! I would like to take some time to revisit the SEG Annual Meeting in Denver. SEG successfully launched the first annual Career Panel. We had a great turnout, including some top industry and academia professionals speaking about career opportunities and answering some great questions from students! We have [included this information](#) on the new [University and Student Programs page](#).

Another important event we don't want to forget about is the [2nd International Geosciences Student Conference and Expo!](#) This year we will be in Krakow, Poland, 9-12 July 2011. [Registration is now open](#), and we have extended the deadline for [SEP Europe applications to 15 March](#). Thanks to our friends at the Bucharest chapter for making the first one such a success!

Also, don't forget to check the calendar for upcoming program application deadlines! SEG Student Chapter officers, you have only a few weeks left to apply for the [SEG/Chevron Student Leadership program!](#) We have great plans for the San Antonio program. .

Best Regards,
Melissa and Callie
